MADE IN CHINA | PATENTS PENDING

Congratulations on your purchase of the Snuggle Nest® Surround® BL. Created by a mom who practiced co-sleeping with her own infants, Snuggle Nest® products are designed to help protect infants while sleeping with parents. The Snuggle Nest® Surround® BL is a unique product that offers a deeper feeling of security and closer access to your baby, while completely enclosing him with a combination of rigid walls and flexible air-barrier panels, for added security where it's needed most. Our comfortable extended length mattress allows for ample room and an enjoyable nighttime (or anytime!) experience with your baby. At home or on-the-go, we know you will enjoy your Snuggle Nest® Surround® BL.

**⚠️ WARNING!** **AVOID CO-SLEEPING HAZARDS:** Do not use this product if the adult mattress is not firm enough to allow the product to lie flat when adults are on the bed. **NEVER** allow infant to sleep in the Snuggle Nest® Surround® BL while sharing a bed with another toddler or child. **NEVER** allow infant to sleep in the Snuggle Nest® Surround® BL while sharing a bed with an adult who is under the influence of alcohol or medication. These substances increase the risk of rolling onto the infant and make it harder for the adult to wake up at the baby's distress. **NEVER** allow infant to co-sleep with an obese person. **NEVER** allow infant to sleep in the Snuggle Nest® Surround® BL while sharing a bed with an adult who has sleep disorders (i.e. sleepwalking, nightmares, fitful sleep). **ALWAYS** place the unit with the rear wall against the headboard when co-sleeping. **NEVER** use the product anywhere else in the bed. Make sure that adult bedding does not cover more than 10" of the bottom of the product's mattress when bedding is fully extended, in order to reduce suffocation risks and overheating. **NEVER** use more than one pillow per adult on each side of the Snuggle Nest® Surround® BL. **ALWAYS** place infant's head close to rear wall of unit. **ALWAYS** make sure that infant is centered in the unit.

## Co-Sleeping

With the Snuggle Nest® Surround® BL fully assembled and extended, place the larger end of the product in the center of the adult bed, against the headboard. Make sure that adult bedding does not cover the product. Never stack pillows or leave decorative pillows on the bed when using the Snuggle Nest® Surround® BL. Use only one pillow per adult. Place the infant in the center of the product near the larger end of the Snuggle Nest® Surround® BL. Infants should always be placed to sleep on their backs with their own blanket. If you remove the infant from the Snuggle Nest® Surround® BL to breastfeed during the night, always place the baby back in the Snuggle Nest® Surround® BL before going back to sleep. Discontinue use when baby begins to roll over or push up on hands or knees.
